We are rocking and rolling in to July so quickly. School is extremely busy! It has been sports week this week and we have had some amazing events including trampolining, Zumba and yoga! We have to thank Priory Academy for working with us to put on a week of activities - the staff and the Priory children have been amazing. Thank you to Mrs Ginty and Mr Roberts for organising.

THEME FOR THE WEEK— we missed assembly on Monday due to Y6 play rehearsals - next week we launch our Science Week in our Monday assembly.

We have some exciting news to share!

We have been successful in a bid to the Tesco Community Grant Scheme and have the chance to receive between £500 and £1500.

We want to develop a sensory zone in the Wild Zone area of our school grounds that we have been working hard to develop over the last year.

The wording on the voting box will be:

**Whitefield Primary School
Sensory Zone
Penwortham**

Development of a sensory zone within our school grounds to inspire children's love of nature and to provide a calm area where we can support children's health and wellbeing.

From 1st July to the end of September pick up the blue tokens every time you shop and vote for us at the Penwortham superstore (and some of the smaller stores around Preston).

The more votes we get, the more chance we have of receiving the maximum grant. Please share with your family and friends.
